

Multiple Architectural Positions

Allen + Killcoyne Architects is an award winning, design oriented architectural firm located in Manhattan. Our work comprises a diverse range of projects that include retail, corporate interiors, high end residential, gyms, façade retrofit, building design and institutional work. The firm is very involved in sustainable and passive house design. The firm is presently designing a new multi-family apartment building to the International Passive House Standard.

We are seeking talented persons with **0-10 years of experience for multiple positions**. The work of the firm is diverse in scale and therefore offers opportunities for junior staff to learn at an accelerated pace how to design, detail and manage the construction of projects.

Experience and Qualifications:

- BArch or MArch degree
- Strong design and graphic skills
- High level of proficiency in AutoCAD, Photoshop, Adobe products, SketchUp and other 3D rendering programs
- Strong organizational, management and interpersonal skills
- Ability to work effectively with clients and consultants
- The candidate must be self-motivated, enjoy working with others and have a sense of humor.
- An interest in sustainable and passive house design is a plus

Salary and Benefits:

We offer competitive salaries and a comprehensive benefits package which includes:

- Fully paid medical insurance for the employee
- Paid vacation, sick leave, holidays and personal days.
- Company matched 401(k) plan.

Application:

- Cover letter with salary requirements
- Resume
- Link to online portfolio (such as www.issuu.com) or a single PDF with Work Samples
- List of three references with contact info

Please email the application items listed above in a single multi-page PDF format via email to Mr. Stephen Killcoyne, Partner : dkarpel@allen-killcoyne.com .
MAX FILE SIZE = 10MB.
