

**Berg + Moss Architects, PC**  
Beacon, New York

www.bergmoss.com

August 31, 2017

We have the following positions available:

Intern – 0 to 2 years professional work experience.  
Intermediate Architect - 3 to 5 years of experience.

We are looking for energetic people who can take a lead in all aspects of design, planning, and construction. Candidates shall possess excellent communication skills, be highly organized, self motivated and hold a professional degree. They should display experience in the coordination of construction documents, strong presentation skills and be fluent in AutoCAD, Revit and Rhino.

Beacon is located 70 miles north of Manhattan in the Hudson Valley.

Candidates must be a US citizen or hold a US work visa. Please do not apply if you do not meet the aforementioned conditions. Please include salary requirements and availability.

Please submit PDFs of your cover letter, CV, references, and works samples (maximum 2MB). Web links will not be accessed.

Salary is competitive and based on experience/skill level.
