Posen Architects, founded in 1996, has a recognized expertise in corporate, commercial, medical and healthcare facility design and construction. The mission of the company is based on four principles: to deliver unequalled client service; to provide design excellence in all of our projects; to recruit, retain and promote staff with the highest levels of technical expertise; and to strive to achieve complete client satisfaction in our built work.

### **Specialties**

Projects range from new construction of office buildings and renovations of existing structures to corporate headquarters, tenant relocations and high technology hospital and out patient facilities.

### **Syracuse Architecture Alumni Contact:**

Tanvi Deepak Sanghvi [tdsanghv@syr.edu](mailto:tdsanghv@syr.edu) (Dec 2015)

Tanvi had a positive summer employment experience at Posen.
