We have an opening for an Entry Level Architectural Designer

Hyman Hayes Associates is looking for an Architectural Designer to join our growing team in Albany, New York. Our basic requirements are a Bachelor's degree in Architecture, able to write and communicate with clients in a professional manner and proficient in AutoCAD and Revit (Adobe Photoshop is a plus). You will assist in all phases of a project from Schematic Design through to Construction Administration. We are a fun, fast-paced design team with a great mentoring culture. We offer flexible hours and a competitive compensation/benefits package including health insurance, retirement plan, health savings, and profit sharing. Send your letter of interest, resume and selective portfolio (5MB Max file size) to Mr. Myles Hyman, Principal at: info@hymanhayes.com.
