JOB DESCRIPTION:

C2 Design Group is looking for a qualified, Registered Architect to join our thriving team in downtown Schenectady. Candidates must be able to perform all phases of architectural work from initial kickoff of a projects through to completion, including planning, designing and overseeing the construction. He or she will be involved in new building designs, extensions, alterations, restorations and conservations from the earliest stages through completion.

It is our goal to always match client's needs with sustainable, functional and aesthetically pleasing designs. Candidates should be comfortable working directly with clients, attending client meetings and presentations.

Responsibilities

- Control project from start to finish to ensure high quality, innovative & functional design
- Develop ideas keeping in mind client's needs, building's usage and environmental impact
- Produce detailed drawings and make any necessary corrections
- Compile project specifications, Keep within budgets and timelines
- Ensure all works are carried out to standards, building codes, guidelines and regulations
- Make on site visits to check on project status and report on project
- Cooperate and liaise with construction professionals
- Follow architectural trends and advancements

Requirements

- Proven working experience as an architect
- Strong portfolio to prove artistic skills
- Expert knowledge of building products, construction details and relevant rules, regulations and quality standards
- Excellent drawing skills and familiarity with design software (Adobe Photoshop, SketchUp, AutoCAD, Revit)
- Strong imagination and the ability to think and create in three dimensions
- Visual awareness and an eye for detail
- Communication and project management skills
- RA license, 10+ years, Senior Level experience required
- BArch or MArch, or BS Architecture

Type of projects: Commercial, Corporate, Retail, Mixed-Use

Size of office: 10 people

We have an open and inviting atmosphere; very collaborative in nature; we are a small and tight-knit team. All members are able to jump in on a project at any time, if need be.

Please send cover letter, resume, sample page (10MB max file size) via email to:
