L2Partridge, is currently looking for an architectural designer for commercial interiors projects.

We are seeking an Architectural Designer with the following qualifications:

- Professional degree in Architecture (B Arch or MArch).
- Working toward professional registration.
- 3-5 years of experience in an architecture or design firm.
- Strong design portfolio.
- Excellent technical, documentation and detailing skills.
Experience with Revit a plus.
- Experience with interior architecture including corporate workplace preferred.
- Strong 3D photorealistic modeling and rendering skills.

We have a dynamic range of projects and offer excellent salaries and benefits packages, a great firm culture, and a strong commitment to the professional development of our team.

Submissions should include resume, salary requirements, and a PDF of your best work (no larger than 4MB) or a link to your online portfolio.

Submissions without work examples may not be considered.

You must be able to legally work in the U.S.A.

Local candidates will be given first consideration - we cannot reimburse for interview travel expenses, and cannot provide assistance with relocation expenses.

No phone calls, please.
