### RESEARCH

- 2015 THE RADICAL OPTION. A TRAVEL THROUGH SUPERSTUDIO. Ph.D. dissertation.  
Research on Radical Architecture, April 2011- November 2015. Using the work of the Florentine group as a common thread, this research is basically dedicated to detect and recover the operational capacity of the experiences carried out by a small group of actors who, 50 years ago, decided to use the discipline as a field of intellectual research, critical and radical, making use of its potential to identify the urgent problems of their time.
- 2018 STANDARDIZING DIVERSITY. THE NEW ARCHITECTURE OF THE COLLECTIVE.  
September 2018 – present. Ongoing research that aims to reflect through architecture on a new way of understanding community life in our cities.  
Chapter 1: ACTIONS FOR AN EMANCIPATORY FAITH. September 2108-May 2019  
Chapter 2: RETROACTIVE TOOLS. COMMUNITY UPDATES FOR DOMESTIC TAKEOVERS (Article). July 2020  
Chapter 3: A HOUSE LIKE US (Ongoing research). February 2021-
