Dear Dean Speaks:

After reviewing the five-year Interim Progress Report (IPR) for the Bachelor of Architecture and Master of Architecture programs submitted by Syracuse University, the National Architectural Accrediting Board (NAAB) has accepted the IPR as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent two-year Interim Progress Report.

Your next accreditation visit is scheduled for spring 2025 and will be conducted under the Conditions and Procedures in effect at the time of the visit. The Architecture Program Report (APR) is due September 7, 2024.

Please note that Program Annual Reports are still due annually.

If you have any questions regarding this matter, please contact accreditation@naab.org.

Sincerely,
